Customer Journey phases

Team No: PNT2022TMID31586

Phases	LOGIN / REGISTER	DASHBOARD	ADD EXPENSE	VERIFY INFORMATIONS	ANALYSE EXPENSE	SAVE MONEY
GOALS	Gain access to the account or access the app	Give the graphical representation	All the expenses must be tracked accurately	• To confirm the added expense	Get better understanding of the expenses made	Save money using the report
VITEXT OUCHPOINTS	Register a new account or login to your account	Show the list of expense and income	The different expenses should be added to the appropriate categories	Cross verify with your bank statement	Peruse the expense reports more often	Users have to accept the reports provided by the tracker and start saving mon accordingly
STOMER DUGHTS	Feeling Secured	Easy to analysis the expense and able to manage the budget	A detailed expense report must be kept for all expenses	User can't be sure of my calculations, so I check my bank statements	User might find it difficult to keep track of their expense for each period time	How much can I save? How control this? Where do I put my savings?
IN POINTS	Forgetting the password may take a long time to recover the account	Add the Expense and income	The user might forget to update his/her expenses in the app	Rechecking the bank statements again and again for not knowing were we spent the money	Users may have difficulty adjusting to the conditions they have been placed in	Not being able to act upon the insights, not easy to make savings plan
